DD/I advised that Lehman, who was in New York yesterday, alked to Henry Kissinger, Kissinger was highly complimentary for the level of support he has thus far received from the Agency. DD/I reported that Kissinger has indicated that there will apparantly be a National Security Council organization meeting next Tuesday. DD/I advised that Attorney General-designate John Mitchell was rovided by Lehman a briefing on the organization of CIA and the intelegence community. Among other things, Mitchell inquired about PFIAB and requested a profile on the professional backgrounds of the incument members of the Board. The Director suggested that we combine laterial from Who's Who with background that John Bross can provide concerning Board members who have been involved for a period of time. Godfrey discussed the compromise arrangement reached over the kind of table to be used for negotiations in Paris.		10/0

Bross referred to a discussion he had with

nection with the latter's concern over the restrictions on the release of information to the Bureau of the Budget and how he should communicate the ground rules to COMIREX. DDCI noted that the instructions

which he issued yesterday on this matter are perfectly clear and are in fact a restatement of restrictions which have been in force for years.

ADD/S&T reported that the Soviets have now performed a space docking and crew transfer.

DD/P advised that COS, Vientiane has expressed satisfaction with the level and modus operandi of air support for operations in Laos and would prefer that COS, Saigon not raise air support issues with MACV and the 7th Air Force. DD/P indicated that he will be cabling COS, Vientiane to ensure that the latter is not overstating the situation in Laos.

Executive Director drew attention to the article in yesterday's Washington Star on the proposed Executive Pay Scale plan.

Executive Director noted the item in this morning's Washington Post on the \$183,000 for a CIA "printing facility."
